# 2019 WINTER BOOKING PROGRAM PRICING GUIDE

Premier Service Inspections are the best way to manage the consistency and performance of your equipment. From compact tractors to combines - our inspections ensure your machines are ready when you need them. Please find inspection

\$399.99 Reg \$429.99

overviews and pricing in this program guide.

## Tractors

Full operational and PTO dyno testing (if applicable) on the following systems: engine, cooling, fuel, electrical, powertrain, hydraulic, steering and brakes, operator station and safety features.

Utility Tractors (Open)

Compact Tractors \$299.99 Reg \$349.99

Utility Tractors (Cab) \$429.99 Reg \$499.99 **Row Crop Tractors** 4WD Tractors \$549.99 Reg \$599.99 \$549.99 Reg \$599.99

#### Hay Tools Mower Conditioners

PTO powerline, fluid levels, belts and drives, rolls/impeller, reel, cutting components.

#### **Round Balers**

Operational checks, gear cases, bearings + rollers, pickup, belts, electrical system, net

**Round Baler** \$349.99 Reg \$399.99

\$199.99 Reg \$279.99 Square Balers PTO powerline, chains, knotter,

plunger head, pickup, bale ejector.

Mo/Co

Small Square Baler

Large Square Baler \$229.99 Reg \$329.99 \$699.99 Reg \$849.99

Planting Equipment Full operational check on the following: main frame components, row units, vacuum units, finger pickup units, electrical, drives, attachments, opener arms and seed boots, coulters and gauge wheels, closing wheels, seed and fertilizer systems, drives and gear cases.

Air Seeder & Cart	Row Planters
\$7.99/row Reg \$10.99	\$24.99/row Reg \$32.99

Forage Harvesters Full operational check, operators station, fuel system, fluid levels, steering, engine/powertrain, fans, auger, cutter head, feed roll assembly, electrical, hydraulic system, lubrication and cooling systems.

Self Propelled Pull-type \$699.99 Reg \$849.99 \$349.99 Reg \$399.99

Application Equipment Full operational check, operator station, fuel system, fluid levels, steering, engine, powertrain, electrical and hydraulic systems, boom, solution system, marker system, spray star system.

### Service Inspection:

\$699.99 Reg \$849.99

Save 50% on Winterization Package when combined with inspecton! Until Dec. 31st, 2018

### **Combines and Heads**

Full operational testing on the following systems: Sensors, displays and gauges, belt operation on the entire machine, oil/lubrication levels in gear cases, inspect feeder-house, powertrain, shoe supply augers, cylinder/rotor, concaves, rotary deflector, cleaning fans, pre-cleaner and chaffer, straw walkers, straw choppers, tailings and clean grain elevator, grain tank and unloading system, engine compartment, primary countershaft, hydrostatic/hydraulic systems and electrical systems.

#### Combines \$699.99 Reg \$999.99

Combine + 1 Head \$899.99 Reg \$1,299.99

#### Flex Platform Heads

Full operational check on the following: safety system, reel inspection, hydraulics, reel arms, platform frame, knife sections, hold downs, guards, drive and gear case, stabilizer frame, flex mechanisms, divider points, D.A.M system/AHHC, Contour Master System, auger.

Corn Heads Full operational check, gathering components, deck plates, row unit frame, gear cases, row dividers.

#### Flex & Corn Heads \$259.99 Reg \$329.99

## Precision Ag Services

Premier is proud to offer a wide variety of services to ensure that your farm is operating at peak performance. Services include machine optimization and set-up packages to a complete offering of agronomic services including advanced soil and crop health analysis and advanced cropping data analysis. Ask us about:

- Ready to Farm Packages Set-up, Update and Training •
- Advanced Agronomic Services

# **WE GUARANTEE:**

OUR PARTS.

We use only genuine John Deere parts, now with 12 months warranty.

## OUR WORK.

No Till Drill & Box Seeders

\$199.99 Reg \$279.99

All completed repairs on PSI inspected machines for 250 Engine hours or 12 months.

# OUR SUPPORT.

We'll have you up and running in less than 24 hours, or provide you with an appropriate machine to keep you going. Visit your service department for complete details.
