

# TECH FOR HIRE PROGRAM

It's like having your own technician.

With Premier's Tech for Hire Program, you can have one of our factory trained technicians at your location to assist in repairs, help with cropping preparations, go over settings, calibrations, best practices, tips and more.

Get a hand with that repair you've been meaning to do, make sure that you properly installed that replacement part - get the peace of mind that comes with having an expert on your team.

For more information contact your local Service Department.
